

# Basic Pots & Saucers

Our smaller pots are perfect for cultivation from cuttings or pricking out and our larger pots are ideal for vegetables and flowering plants. A must for the home gardener.

Basic pots and saucers are available in terracotta in a range of useful sizes.

These uniquely designed propagators are impact resistant, UV sensitised and less brittle than similar polystyrene products, whilst retaining clarity.

Made from polypropylene, our tough propagator covers are vented for better temperature control.

Available in three sizes, transparent cover, black gravel tray and green seed tray are perfect for cultivating seeds or cuttings.

Propagators
