

Buckets and Bowls

Protect your sink from stains, food preparation and washing residue with our sturdy bowls. They are colour co-ordinated to match our other housewares products and we have a bowl to suit your sink shape and size perfectly.

Our buckets have sturdy, contoured handles for a firm, comfortable grip and an integrated base grip, to make handling and pouring easier. There is a range of sizes, suitable for the home, garden or caravan and they are colour co-ordinated to match our other housewares products.
